

REISS Idealo  
Design meets comfort.

We know how to create offices.

REISS Idealo

WORKSTATIONS

# Clear Lines, maximum comfort.

When we think of your office, we have one clear role model: modern architecture and the reduction to the essentials. Cause thoughtful design and functionality are our benchmarks. REISS Idealo combines clear lines with comfort and ergonomics: from the functional desk to the representative office environment to generous conference solutions.

Elegant and variable: with REISS Idealo we create performance and health promoting workspaces for a wide range of demands.

## Efficient at every level.

Whether single or double workplace: with its clear design language, the REISS Idealo desk creates the best prerequisites for efficient work in every location. In combination with the height adjustable single column REISS Novo table, it can also be effortlessly extended to a stand-sit desk, for meeting with colleagues or the healthy exchange between sitting and standing.

### HIGHLIGHTS AND OPTIONS

- | Varied design
- | Through extension plates or CPU holder flexible configuration
- | Expandable to a stand-sit workstation through REISS Novo
- | Smart cable management, integrated power and media connections (optional)

WORKSTATIONS

REISS Idealo

Flexibility is our everyday life.

## WORKSTATIONS

Finding the right answer to every challenge - that's the office routine of today. REISS idealo supports you with it. Through the visual and sound insulation elements, you can turn REISS Idealo group workplaces into separate individual workplaces in no time at all. The double workplace offers in addition the highest level of comfort and functionality that meets all the requirement of modern communication.

# When the desk becomes a favorite place.

Those who like to come to the office in the morning also work more efficiently. That's why REISS Idealo puts all the concentration on comfort and a sophisticated design. Whether as a single or double workplace - REISS Idealo offers you an atmosphere with an allround feel-good effect.
